

Sea School Booking Conditions

How to Book

To ensure availability of the desired course for the dates you require please contact us first to make a provisional booking which we will reserve for 24 hours. Then complete Sea School Booking Form and return it to our office with an advance payment of 25% of the course fee. The final balance should be paid at least 30 days before the course commencement date by cheque or credit/debit card. If you fail to pay the final payment on time Hot Liquid reserves the right to cancel your course, with no refund of deposit. Should you book less than 30 days before your course, then you must pay the full amount at the time of booking.

1 Your Contract

The following terms and conditions will be incorporated into every contract between you and Hot Liquid. By making a deposit payment (either by supplying card details or cheque) you will be accepting the terms and conditions for all members of your party, and you are therefore advised to read them carefully. This contract will be construed in accordance with English Law and it is agreed by us that each will submit to the jurisdiction of the UK courts.

2 Cancellation

Hot Liquid reserves the right to cancel the booking at any time and the refund will be limited to course fees already paid. If you wish to cancel your course this must be done in writing and will be effective from the date that it is received by Hot Liquid. If you cancel at least 30 days prior to your course start date you will lose your deposit. If less than 30 days notice of cancellation is given, after the balance has been paid, the full course fee will be forfeited.

3 Amendment

Should you wish to reschedule your course with more than 30 days notice we will offer you alternative dates, subject to availability. A £30 administration fee will apply. Should you wish to reschedule your course less than 30 days prior to your course start date we will do our best to sell your place. If your place is filled you will be able to rebook the course for a £30 administration fee. If however we are not able to fill your place and you do not attend the course booked originally, we will consider it to be a cancellation.

Upon such termination our responsibility for your course ceases and Hot Liquid shall not be liable for any extra costs incurred by you.
